

18<sup>th</sup> European School Neuroimmunology Course

# ESNI2024

7-10 July 2024 | Hasselt, Belgium

## 18th ESNI Course Information

### Hasselt - Belgium, 7 | 10 July, 2024

The aim of the 3.5 day course is to bring young European researchers together to teach them new insights into several aspects of neuroimmunology and neuroimmunological diseases. This summer school will focus on topics such as in vitro models for neuroimmunology, genetics and epigenetics of neuroimmunological diseases, aging in neuroimmunology, environmental factors such as viruses and microbiome and last but not the interplay between lifestyle factors and neuroimmunology.

There will be hands-on sessions about popular technology platforms and explain to you tips and tricks of how to become an excellent networker and how to pitch a research project in the most interesting way.

Finally, the attendees will have the opportunity to perform some speed dates with fellow attendees to think of a collaborative research project. The winner will receive a small grant to carry out this scientific idea.

Altogether more than 15 European and International speakers will present their newest developments in the field of neuroimmunology and beyond.

Should you require more information about the summer school and registration, please visit the website on [www.esnicourse.isniweb.org](http://www.esnicourse.isniweb.org). You may also contact the organisation via email [esni@esni.org](mailto:esni@esni.org).

Thank you for consider a sponsorship. We are looking forward to seeing you at the summer school in July!

---

## Main Topics

### Day 1

- Genetics, epigenetics, sex differences & aging

### Day 2

- Environmental factors: viruses, microbiome

### Day 3

- Lifestyle (diet, exercise..)

### Some of our guest speakers are:

- Anna Herland (*Sweden*)
- Helle Bach Sondergaard (*Denmark*)
- Adrian Liston (*UK*)
- Domenico Mancuso (*Belgium*)
- Camilla Svensson (*Sweden*)
- Guy Boeckxstaens (*Belgium*)
- Doron Merkler (*Switzerland*)
- Renaud Du Pasquier (*Switzerland*)
- Shannon Dunn (*Canada*)
- P. Langston (*USA*)
- Gesine Saher (*Göttingen*)
- Jeroen Bogie (*Belgium*)
- David Baker (*UK*)

### **Special Requests and Other Sponsorship Opportunities**

We are aware that the customized sponsorship items listed above may not entirely meet your marketing objectives. We would therefore be happy to tailor an item that suits your company's specific needs. Please feel free to contact the Sponsorship & Exhibition Secretariat and discuss your preferences. Other sponsorship possibilities can include, for example, funding Travel Grants for young students, the Social Event, exhibition space-only, etc.

All sponsors will be acknowledged in all printed material for the course, and on the course website.
